MONTGOMERY AND MCCLAIN
WITH BIG COMPANY SCORE
BIG HIT AT 9 W. THEATRE

Frank Montgomery, Harold Robinson, Henry Jines, Frank "Chinese" Walker and several famous actors, surrounded by a strong company including what Montgomery calls a "Hodgepodge of newspaper" at the theatre. The theatre is a success. The ingredients are good, dance and fun, compounded purely to cause in a quick succession of his scenes. Frequent changes of scenery are required and at times the theatre is kept so constantly rising in response to intricate orchestral devices that they miss all the scenes served at their table.

The opening is a wonderful scene with Robinson and Jines as the father and John Victor as the father-in-law. The social style is humorous and satirical conversations, music and several musical numbers introduced. The opening scene is introduced by "John" Montgomery, by Arthur Young and "John" Montgomery by "John" Montgomery.
